**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please please keep the lines open for competition. We need little guys to make sure the big guys stay honest and serve us well. Ive loved my service from a small local provider.

I need broadband for so many things and Id be upset and scared if the only options were higher priced, monolithic services like att and Comcast. Competition in an open market makes the most sense.
